Resolution 85-13-F  
Upgrading of Lighting on Campus  
Introduced 12-3-85

PURPOSE: For the University to upgrade its outside lighting  
of the campus at night.

STATUS:

**FAILED**

WHEREAS, At present, little lighting can be found at night,  
and

WHEREAS, The lack of lighting in bad weather might cause  
injury by slipping on unseen ice, and

WHEREAS, Lighting is an investment into the university, and

WHEREAS, It would make it safer and easier to see your way  
at night, and

WHEREAS, Upgraded lighting would reduce crime or the chance  
of attack and rape would be reduced.

THEREFORE, Be it resolved that we, the members of the  
Associated Student Government, do strongly  
recommend that the outside lighting of campus  
at night be upgraded.
